

Subject: PFAS Identification Statement

Based on information obtained from our supply chain, material declarations from component suppliers, and reasonable due diligence, **Red Pitaya d.o.o. declares that the supplied articles do not contain intentionally added Per- and Polyfluoroalkyl Substances (PFAS).**

Any potential presence of PFAS would be limited to **non-intentional trace impurities**, if present at all, and would be below applicable regulatory reporting thresholds.

This statement applies to the products as supplied by Red Pitaya d.o.o:

Product: STEMLab, SDRLab, SIGNALlab

Models:

- STEMLab X; where X is 125-14 and 65-16
- SDRLab X; where X is 122-16
